STONE RESOURCES AUSTRALIA LIMITED

ENTERS INTO DRILLING CONTRACT

Stone Resources Australia Limited (the **Company**) is pleased to advise that it has entered into a contract for drilling services (**Contract**) with Resource Drilling Services (**RDS**).

Pursuant to the Contract, RDS has agreed to perform a reverse circulation drilling program for the Company's Brightstar Alpha Project. This drilling program involves 48 holes and a total of 5,350m.

The Company hopes that this continued exploration program will enable the Company to further evaluate this project.

The drilling is due to commence on 30 November 2012 and complete by 25 January 2013, subject to weather and ground conditions.

The Company will provide a further update at an appropriate time in the future.

For further information please contact the Company on +618 9277 6008.
