

STONE RESOURCES AUSTRALIA LIMITED

ASX Announcement

17 December 2013

REVISION ON PROJECT UPDATE REPORT

Further to the announcement made yesterday, Stone Resources Australia Limited ("Stone") (ASX: SHK) advises that, due to the 2012 Edition JORC Code ("Code") was newly implemented, our geology department is still modifying the Project Update Report, which has been announced on 4 December 2013, in order to comply with the Code and get the consent from the competent person. The Company expects the report will be completed within this week.
