Dear Sir/Madam

SETTLEMENT OF LITIGATION

On 23 December 2014, Nex Metals Explorations Ltd ("NME") advised the market that it had commenced proceedings against Stone Resources Australia Limited ("SHK") in the Supreme Court of Western Australia ("Proceedings"). On 8 June 2015 SHK announced that in the Proceedings it had filed a defence and counterclaim against NME.

SHK is pleased to announce that agreement has been reached between SHK and NME to finalise the Proceedings, with both claim and counterclaim being dismissed and with no orders as to costs. The parties have entered into a Deed of Settlement that contains a confidentiality clause.

SHK is able to inform the market that the terms of the settlement do not have any negative impact on the financial position of SHK but will enable the Company to clear any liabilities, including contingent, relating to the action from the Financials of SHK.

Yours faithfully,

Guofu Zu
